

Thank-you so much for visiting our website!

As president and General Manager of Redmonds Parts & Supply, Inc. I would like to welcome you to browse around and learn why we have been in business for over 90 years distributing automotive parts and paints across northeast Ohio.

We are proud to have as our partners, **Car Quest** and **PPG** which allow us to offer the finest parts and paints in the automotive aftermarket. We've recently entered into an exclusive, distributor relationship with **De Beer Refinish, a brand of Valspar**, manufacturing high quality car refinish paints since 1951. I'm excited about being able to offer this wonderful product line because of the high quality, thorough coverage and low price. De Beer Refinish allows us to offer our customers the best product at a 40% discount!

One very important thing should stand out as you learn about Redmonds---**SERVICE**. At Redmonds we walk the talk; we believe that a customer is not an interruption of our work, but rather the sole purpose of our work. All this would not be possible without the dedicated work of all the employees of Redmonds.

Please look around and tell us what you think. We hope you'll give us a call and provide us with the opportunity to learn more about your business and find the best way that working together would help improve your bottom line and the service you provide to your customers.

Sincerely,

Chris Redmond

Chris Redmond

President, Third Generation of Redmonds Parts and Paint, Inc.
